Projects

MY PORTFOLIO WEBSITE

anasmalik737.github.io/anaspotrfolio

Individually designed and developed a responsive portfolio website to showcase my skills, resume, & projects.

MARU DRY FRUITS

anasmalik737.github.io/DryFruits

Collaborated in a 5-member team during my first semester project to create a business website for a dry fruit store. My focus was on layout, responsiveness, and interactivity.

TRAVEL SMART

anasmalik737.github.io/TravelSmart

Worked in a 6-member team to develop a travel-themed website for a global competition. Contributed to UI design and frontend development.
